The Mary’s Place Family Center in The Regrade will increase the shelter capacity of Mary’s Place in King County by 50%. Amazon built this unique, one-of-a-kind permanent shelter within one of its Seattle headquarters office buildings. The shelter will help more than 400 additional families experiencing homelessness each year.

This shelter will have...

- **275** moms, dads, and children each night
- **75** mats for emergency weather shelter needs
- **30** Popsicle Place families with medically fragile children
- An industrial kitchen serving 120 guests at a time and space to prepare meals for 10 additional Mary’s Place shelters
- Space for **80 diversion beds**, for families who need light assistance to quickly move into housing
- Space for pro bono legal support, resume review workshops, and additional professional services
- **+63,000 sq. ft** of usable space
- **Rec Room / Terrace**
- **Dining Room, Kitchen**
- **Intake/Staff Offices**
- **Popsicle Place**
- **Popsicle Place**
- **Standard Shelter**
- **Diversion Shelter**
